

Thulani Mtshwelo

Full-Stack Developer | Platform Architect

Cape Town, South Africa

Professional Summary

Full-stack developer and platform builder experienced in designing scalable web systems using JavaScript, TypeScript, Python, React, Next.js, Node.js, and Django. Currently working at Fine Chemicals Corporation developing enterprise software including an Integrity Hub system integrated with Azure Active Directory and Single Sign-On. Founder and technical architect of AutoPromote, a content intelligence platform integrating with major social platforms.

Technical Stack

- Languages: JavaScript, TypeScript / TSX, Python
- Frameworks: React, Vue, Next.js, Django
- Backend: Node.js
- Databases: Firebase, Supabase, PostgreSQL
- Enterprise Platforms: Azure AD, SharePoint, Power Apps, Power BI
- DevOps: CI/CD, Cloud Deployment, CDN Optimization, Autoscaling
- Media Processing: FFmpeg, OpenCV, Pillow, Librosa

Professional Experience

Full-Stack Developer — Fine Chemicals Corporation (Nov 2025 – Present)

- Developing Integrity Hub platform for conflict-of-interest declaration management.
- Integrated Azure Active Directory authentication with Single Sign-On.
- Built enterprise tools using SharePoint, Power Apps, and Power BI.
- Designed backend APIs and frontend interfaces for internal systems.

Founder & Technical Architect — AutoPromote

- Built multi-platform content intelligence ecosystem.
- Integrated APIs across TikTok, YouTube, LinkedIn, Reddit and Meta.
- Architected video processing pipelines using FFmpeg, OpenCV, Pillow, Librosa.

- Implemented cost-efficient infrastructure (compression, CDN, autoscaling).

Platform Integrations

- 🎵 TikTok
- ▶ YouTube
- 💼 LinkedIn
- 🐼 Reddit
- 🟦 Meta

Key Achievements

- Secured Meta approval for AutoPromote integrations.
- Built lean scalable prototypes using Firebase and open-source stack.
- Designed community-driven financial empowerment systems.

Education

Siseko Technologies — NQF Level 5 Software Development (2023–2024)

Isikhoba Nombewu Technical School — National Senior Certificate (2021)
